JUN 01 2002

Sir:

GROUP 3600

AMENDMENT

Responsive to the first Office action, applicant amends the above-identified application as follows:

In the claims:

✓ Please cancel without prejudice claims 1-22.

Please add the following new claims 23 - 50.

23. In an automobile having a passenger seating area and a generally planar ceiling, an above-seat-level, ceiling-mounted display unit comprising:

a generally planar mounting frame structure joined with the ceiling in a location overhead and generally forward of the passenger seating area in the automobile, the mounting frame structure being joined generally co-planarly with the ceiling and having a proximal portion closer to the passenger seating area and distal portion more remote from the passenger seating area;
